Edo Van Belkom

- Aurora and Silver Birch Award winner
- For more info, see page 28

WOLF PACK

The television adaptation of the *Wolf Pack* series by Edo van Belkom will premiere on the Paramount+ streaming service in Fall 2022. The series is helmed by *Teen Wolf* showrunner Jeff Davis and stars Sarah Michelle Gellar (*Buffy the Vampire Slayer*), Armani Jackson (*Chad*), Bella Shepard (*The Wilds*), Chloe Rose Robertson, and Tyler Lawrence Gray.

Wolf Pack follows teenagers Everett and Blake, whose lives are forever changed when they are attacked by a terrifying supernatural creature during a California wildfire. In the aftermath of the attack, Everett and Blake become drawn to each other and to teenagers Luna and Harlan, who were adopted sixteen years earlier by a park ranger after previous mysterious wildfire. As the full moon rises, all four teens come together to unravel their new werewolf abilities.

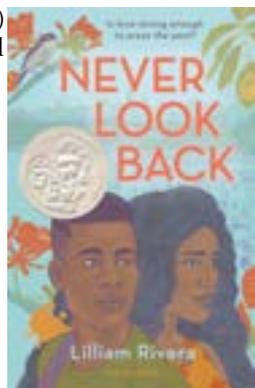

Lilliam Rivera

- Winner of 2021 Pura Belpré Honor Award
- For more info, see our YA catalog

NEVER LOOK BACK

Prolific television director Zetna Fuentes (Netflix's *Cursed*) will direct the film adaptation of Lilliam Rivera's YA novel *Never Look Back* for 3Pas Studios and Amazon Studios, with Talia Rothenberg (Netflix's *Rebelde*) adapting the screenplay.

Actor Eugenio Derbez (*CODA*) and producer Ben Odell will produce for 3Pas Studios, with Jordan Rubio overseeing the project for the company. Award-winning singer-songwriter Romeo Santos will serve as executive producer and music supervisor through his Chimbi Productions. Santos, who is known as the “King of Bachata,” will also have one of his original songs featured in the film.

Never Look Back is a modern retelling of the Greek myth of Orpheus and Eurydice set in the Bronx centered on the romance between Pheus, an aspiring musician, and Eury, a Puerto Rican teenage girl haunted by a possessive spirit.

Grady Hendrix

- For translation rights to this title, contact Quirk Books

MY BEST FRIEND'S EXORCISM

The film adaptation of Grady Hendrix's *My Best Friend's Exorcism* premiered on Amazon Prime on September 30.

The film stars Elsie Fisher (*Eighth Grade*) and is directed by Damon Thomas (*Penny Dreadful*) with the screenplay written by Jenna Lamia (NBC's *Good Girls*).

Set in 1988, *My Best Friend's Exorcism* centers on best friends Abby and Gretchen. After a disastrous evening at a haunted lake, Gretchen starts acting differently and Abby realizes that Gretchen is being possessed by a demon. With help from her classmates and a quirky Christian wrestler, Abby sets out to save Gretchen and their friendship before it is too late.

Grady Hendrix

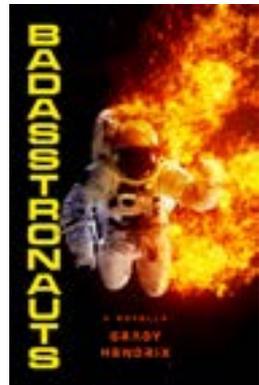

- Originally published as “Occupy Space”
- For more info, see page 33

BADASSTRONAUTS

In a competitive situation, Kinetic Content has landed the rights to Grady Hendrix's sci-fi comedic novella *Bad Astronauts* to develop as a half-hour television series, with Aperture Entertainment. Hendrix and Aperture Entertainment Founder Adam Goldworm will executive produce the series adaptation with Kinetic Content CEO Chris Coelen and President and Partner Melissa Myers.

Bad Astronauts follows Walter Reddie, a washed up, former astronaut who takes it upon himself to build a rocket ship to rescue his cousin, who is stuck on the International Space Station after a mission gone wrong.

Violating numerous laws, common sense, logic, and reason, Walter Reddie's “redneck NASA” attracts a variety of eccentrics who believe in his impossible mission and come together to help any way that they can. But will they blow themselves up, get arrested, or kill each other before they ever launch a test rocket?

Film News

Grady Hendrix

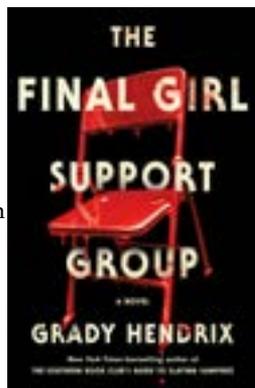

- #11 *New York Times*, #8 *IndieBound*, and #36 *USA Today* bestseller
- For more info, see page 88

THE FINAL GIRL SUPPORT GROUP

THE FINAL GIRL SUPPORT GROUP, is being adapted as a television series for HBO Max with Andy Muschietti (*It*, *It Chapter Two*) to direct the pilot.

Oscar winner Charlize Theron, AJ Dix, Beth Kono and Andrew Haas will executive produce for Denver & Delilah Films, along with Barbara and Andy Muschietti and Irene Yeung for Double Dream and Adam Goldworm for Aperture Entertainment. Hendrix also will serve as an executive producer.

The show will follow a therapeutic support group for six “final girls”—survivors of mass-murderer rampages who inspired ‘80s and ‘90s slasher franchises—who are now being stalked by a new serial killer. It’s up to Lynette, the most paranoid and fragile member of the group, to save them all.

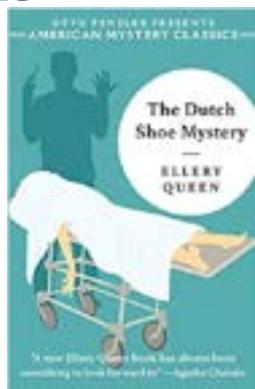

Ellery Queen

- For more info, see page 106

ELLERY QUEEN MYSTERIES

Incendo and BlackBox Multimedia have optioned the TV adaptation rights to the Ellery Queen novels and short stories starring the eponymous detective, with the intent to co-develop and co-produce a high-end scripted series, which will feature Ellery Queen re-imagined as a female detective in a modern-day setting.

Ellery Queen, the lead detective hero of the novel series as well as the pseudonym used by the books’ authors, cousins Frederic Dannay and Manfred Bennington Lee, is one of the most popular American mystery novel series ever published. The books remain huge international bestsellers and have also established a massive fanbase in territories such as China.

The stories follow Ellery Queen in intricate plots where the reader discovers clues and hints hidden in the story at the same time as the detective. The novels are peppered with a range of clues and misdirections to keep audiences guessing.

Film News

Peter V. Brett

- *New York Times* and *Sunday Times* bestseller
- For more info, see page 81-83

THE DEMON CYCLE SERIES

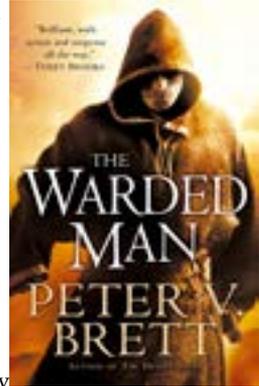

Peter V. Brett's international bestselling series, the Demon Cycle series, is being developed for television by Roger Birnbaum (*Rush Hour*) and Mark Kimsey under their Electromagnetic Productions (EMP).

Spike Seldin (*The A-Team*) and Kearie Peak (*Leverage*) of Remarkable Media, as well as Simon Barry (*Warrior Nun*) and Stephen Hegyes (*Warrior Nun*) from Reality Distortion Field (RDF) are set to produce the project.

Barry is serving as the EP and showrunner. Writer JD Zeik (*Witchblade*, *Ronin*) will be adapting the novel for TV.

The *Warded Man* is set in a distant future where humanity is plagued by terrifying demons that emerge at night with supernatural powers and an all-consuming hatred of people. They are barely held at bay by the ancient and magical art of warding, where locals paint mysterious symbols on houses and posts. With the fate of humanity hanging by a thread, one man takes it further, tattooing his body with the lost battle wards to teach humanity how to fight back from the verge of extinction.

The series centers on Arlen, Leesha, and Rojer—each with their own unique skills—as they risk everything to step beyond the safety of the wards to find a way to defeat the demons.

AWARDS & NOMINATIONS

The CLCSC awards Southern California authors and illustrators for outstanding books published in the previous year.

Brandon Sanderson is the multiple #1 *New York Times* bestselling author of the Stormlight Archive series, the Reckoners series, and the Skyward series, amongst others

The Mistborn Series

THE LOST METAL (#7)

Return to Brandon Sanderson's Mistborn world of Scadrial as its second era, which began with *The Alloy of Law*, comes to its earth-shattering conclusion.

For years, frontier lawman turned big-city senator Waxillium Ladrian has hunted the shadowy organization the Set—with his late uncle and his sister among their leaders—since they started kidnapping people with the power of Allomancy in their bloodlines. When Detective Marasi Colms and her partner Wayne find stockpiled weapons bound for the Outer City of Bilming, this opens a new lead. Conflict between Elendel and the Outer Cities only favors the Set, and their tendrils now reach to the Elendel Senate—whose corruption Wax and Steris have sought to expose—and Bilming is even more entangled.

After Wax discovers a new type of explosive that can unleash unprecedented destruction and realizes that the Set must already have it, an immortal kandra serving Scadrial's god, Harmony, reveals that Bilming has fallen under the influence of another god: Trell, worshipped by the Set. And Trell isn't the only factor at play from the larger Cosmere—Marasi is recruited by offworlders with strange abilities who claim their goal is to protect Scadrial...at any cost.

Wax must choose whether to set aside his rocky relationship with God and once again become the Sword that Harmony has groomed him to be. If no one steps forward to be the hero Scadrial needs, the planet and its millions of people will come to a sudden and calamitous ruin.

The Mistborn series has sold over 9.2 million copies worldwide!

The Rift Walker Series

FLAMES OF MIRA (#1)

An epic new fantasy in a world of ice, fire, and magic, set on a bitterly cold place where people live below in cavernous cities that rely on geothermal energy, where power comes from binding people to the rocks and metals via life-threatening trials.

Born through life-threatening trials that bind chemical elements to the human body, Ig was forged in the boiling volcanoes under Mira's frozen lands. One of the most powerful known elementals, he serves as an enforcer for Magnate Sorrelo Adriann.

Ig is blessed with great power, but cursed with a flesh binding that ties him until death to serve Sorrelo, and if he tries to disobey any one of Sorrelo's cruel commands, the flesh binding magic will instantly kill him.

When Sorrelo is overthrown, Ig quickly learns he can do far worse than what has been asked of him so far. If he can't escape the flesh binding in time, Ig will have to kill friend and foe alike to stop his master reclaiming the throne, or sacrifice himself trying.

"Flames of Mira is a tale of the battle to retake power and Ig's struggle to maintain his sense of self in the face of Sara's ambition, with some background world building that promises interesting possibilities in future volumes."

—*Booklist*

"Flames of Mira is an extraordinary world unlike any you've read before...Clay's magic system is like a cross between *Mistborn* and *Avatar: the Last Airbender*. I absolutely loved it and I think we've only just begun to see what it can do here in book 1."

—*FanFiAddict*

"The dark tone, expansive world-building, sensational magic, and characters who are definitely of the morally gray variety, this is a book and series that I feel will make some big waves."

—*Out of This World SFF*

BOOKS #2-3 UNDER CONTRACT

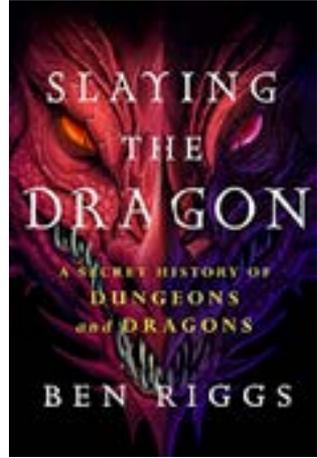

SLAYING THE DRAGON

- An Amazon #1 New Release in Pop Culture category
- Featured on *Gizmodo's* "July's List of New Sci-Fi and Fantasy Books"

SLAYING THE DRAGON is a riveting tale of hubris and greed set in the gaming world that serves as a lesson in brand management and as an excavation of a little known part of geek history.

The original *Dungeons & Dragons* role-playing game released by TSR (Tactical Studies Rules) in 1974 created a radical new medium: the role-playing game. For the next two decades, TSR rocketed to success with tie-in magazines, video games, *New York Times* bestselling novels, and even a TV show! But by 1997, a series of ruinous choices and failed projects brought TSR to the edge of doom—only to be saved by their fiercest competitor, Wizards of the Coast.

Ben Riggs's in-depth research, interviews, and acquisitions of secret documents reveals how innovative artists and writers redefined the sword and sorcery genre, managers and executives sabotaged their own success by alienating their top talent, ignoring their customer fanbase, and accruing a mountain of debt. As epic and fantastic as the adventures TSR published, *SLAYING THE DRAGON* is the legendary tale of the rise and fall of a company that changed the gaming world.

Rights sold:
[US—St. Martin's](#)
[Poland—Zysk](#)

Polish rights sold prior to English-language publication!

"Riggs does an amazing job of highlighting both the success and failure of one of the great iconic gaming companies."

—*Boswell Book Company*

"*Slaying the Dragon* makes the story of TSR as dramatic as any Drizzt novel. It's worth reading for fun, to learn the true history of D&D, and to learn what not to do when running a game company."

—*ENWorld*

"...[A]n engaging and engrossing case study of an entertainment company's rise and fall."

—*The Milwaukee Journal-Sentinel*

THE SLEEPLESS

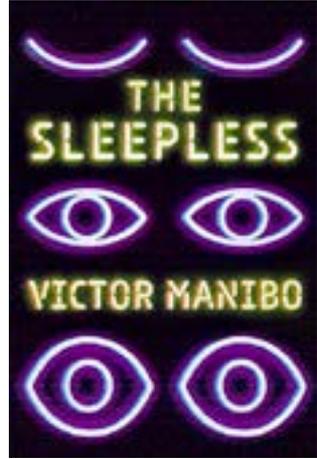

- Featured on *Polygon's* Summer 2022 "Most Anticipated" list

THE SLEEPLESS is perfect for fans of Richard K. Morgan's *Altered Carbon* series, about a mysterious pandemic that causes people to become insomniacs and a man caught in a conspiracy at his workplace.

A mysterious pandemic causes a quarter of the world's population to permanently lose the ability to sleep—without any apparent health implications. The outbreak creates a new class of people who are both feared and ostracized, and most of whom optimize their extra hours to earn more money.

Journalist Jamie Vega is one of the Sleepless. When his boss Simon dies in an apparent suicidal overdose, Jamie is suspicious, given that their company is in the middle of a corporate takeover—and begins to investigate.

When Jamie discovers that he was the last person who saw Simon alive, Jamie realizes he can't remember that night. Now a suspect to the police, Jamie worries his memory loss is related to the illegal procedure he underwent to become a Sleepless. As Jamie delves deeper into Simon's final days, he is forced to confront past traumas, and the consequences of his decision to biohack himself. Along the way he uncovers a terrifying truth about what it means to be Sleepless.

“Manibo neatly dissects the drawbacks of capitalist demands on society in this taut near-future procedural. It’s smart, high-tech noir.”

—*Publishers Weekly*

“One of the best novels I have read so far this year. Victor Manibo has nailed each detail to create a rich world and characters with whom we can empathize easily.”

—*A Vueltos por los Mundos*

“Victor Manibo’s *The Sleepless* is a thrilling debut with a fresh edgy voice.”

—**Harlan Coben, #1 *New York Times* bestselling author**

“*The Sleepless* will prove its name: you won’t be able to put it down, even as bedtime beckons.”

—**Alex Seguran, bestselling author of *Secret Identity***

The Pact and Pattern Series

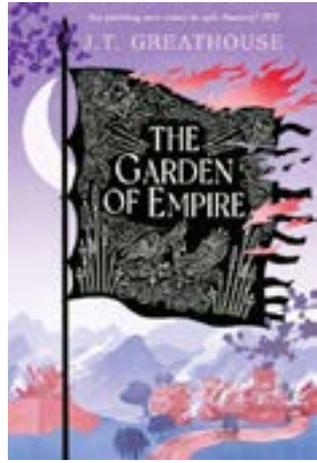

THE GARDEN OF EMPIRE (#2)

An Asian-inspired epic fantasy perfect for fans of Robin Hobb and Shelly Parker-Chan, about a young man torn between supporting the empire or destroying it.

Wen Alder, now known as Foolish Cur, finds that his allies in the rebellion might cross any line if it means freedom from the Empire. But he can't overcome a foe as strong as Emperor Tenet alone.

Koro Ha, Foolish Cur's former tutor, discovers the Empire is not so forgiving of those who raise a traitor. And their suspicion may cost him and his people more than he can imagine.

As war against the Empire rages, Foolish Cur knows there is a greater threat. The emperor plans his own coup against the gods, and they will wreak destruction if he tries. To stop him, Foolish Cur might have to risk everything—and resort to ancient magics that could tear the world apart.

BOOKS #3 UNDER CONTRACT

Tales of Tremaine Series

THE FIRST BINDING (#1)

A heroic fantasy series which follows a wandering storyteller, a hero or villain out of legend (depending on who you've heard the stories from), on a quest to kill the terrifying demons who took everything from him, and to undo a worse evil he's set loose—a power nearly as old as god bent on turning the world at war with itself.

All legends are borne of truths. And just as much lies. These are mine. Judge me for what you will. But you will hear my story first.

I buried the village of Ampur under a mountain of ice and snow. Then I killed their god. I've stolen old magics and been cursed for it. I started a war with those that walked before mankind and lost the princess I loved, and wanted to save. I've called lightning and bound fire. I am legend. And I am a monster.

My name is Ari.

And this is the story of how I let loose the first evil.

Thus begins the tale of a storyteller and a singer on the run and hoping to find obscurity in a tavern bar. But the sins of their past aren't forgotten, and neither are their enemies.

Ari is still in the throes of hunting down the story book demons that took his old life from him and set him on the path to becoming all he is known and feared to be. But corrupt nobles are playing a dangerous game of politics and murder, old enemies are coming to find him, magical beings out of storybooks bent on revenge of their own against him, and a power nearly as old as god working to turn neighboring countries against one another in war.

Ari's old lives are catching up swiftly and it could cost him the entire world. Unless he turns back and faces his past.

Tales of Tremaine Series

THE FIRST BINDING (#1)

“An ode to storytelling, complete with a rich mythology, turbulent adventures, and a flawed hero you’ll root for....Approached with patience, this epic fantasy will satisfy any fan of the genre.”

—*Kirkus*

“Virdi has created a rich world where he lays out his magic system thoroughly and requires his characters to work within it. This isn’t the magic of a chosen one, plucked out of obscurity and given a great power. No, this magic is work and was learned through sacrifice and necessity.”

—*Booklist*

“[T]he pattern woven by the recurring elements is beguiling. You’ll want to sit down with this Storyteller again.”

—*SFX magazine*

““The First Binding is a big book and an epic drama that could draw a big audience. With a striking world and memorable cast of characters, with stories swirling within stories, and twists and turns, lies and truths, and plenty of action, this might be the big new epic series that fantasy readers have been waiting for.”

—*Amazon Book Review*

“This book is one of my top reads this year. It celebrates storytelling, is written in lyrical prose, and contains elements that are immersed in South Asian mythos and culture. Virdi isn’t just an author, he is a bard in all ways the written word allows.”

—*Fantasy Book Review*

“I recommend The First Binding to every epic fantasy fan and am assuming that in a decade it’ll be remembered as one of the cornerstones of this genre.”

—*Books in Blankets*

R.R. Virdi is the award-winning author of *The Grave Report*, *Books of Winter*, and *Monster Slayer Online* series.

BOOKS #2-3 UNDER CONTRACT TO TOR & GOLLANCZ

Dread Empire's Falls Series

For millennia, the Shaa have subjugated the universe, forcing sentient races to bow to their tyranny. But the Shaa will soon be no more. With the dread empire's impending fall comes the promise of a new galactic order...and bloody chaos.

IMPERIUM RESTORED (#6)

Star-crossed lovers Gareth Martinez and Caroline Sula have decisively beaten the forces of the corrupt Zanshaa government. But the war is far from over.

A surprising act of violence on Sula's part threatens their relationship—and damages their trust. Hurt and confused, Martinez sends Sula into exile while he tries to recover from his broken heart.

Somehow, these two lovers must repair their relationship in order to defeat a new enemy threat.

—*Fantasy Literature*

“I have good news: Jason finishes this one almost as well as he did the first volume.”

—*Elitist Book Reviews*

Jason Denzel is the creator of Dragonmount.com, the premier fan site dedicated to Robert Jordan and Brandon Sanderson’s *Wheel of Time* saga. He is also on the board of directors member for JordanCon, and has consulted for various *Wheel of Time* adaptations.

Legacy of the Mercenary King Series

THE KINGDOM OF LIARS (#1)

- An Amazon Editor's Pick for Science Fiction and Fantasy
- Booknest Fantasy Award finalist for Best Debut Novel
- 2020 Earphones Award winner

“Martell’s taut, clever debut tells of rebellion and regicide in a world where the use of magic comes at the cost of one’s memories...This smart, briskly told high fantasy entertains all the way until the unexpected end.”

—*Publishers Weekly*

“An obvious strength of this novel is Martell’s worldbuilding prowess as well as his utilization of magic, which is subtle but powerful...An impressive fantasy debut that creates a solid foundation for a much larger narrative to come.”

—*Kirkus*

“Martell’s portrayal of his protagonist’s growth, from a cocksure chancer to a mature adult sobered by his discoveries, is just as impressive as the twisty plot.”

—*The Guardian*

“An excellent fantasy debut.”

—**Brandon Sanderson**, #1 *New York Times* bestselling author of the Stormlight Archive series

- *iO9*’s “Best Books of March 2021”
- *Tor.com*’s “Best Books of 2021”

“Powered by an impressively large cast of well-developed characters, immersive worldbuilding, a multitapestried narrative that adeptly weaves together numerous storylines, and an abundance of jaw-dropping plot twists, this novel also works on a more sublime, symbolic level... Simply put, this series is a masterclass in grand-scale storytelling. The future of epic fantasy is here—and this saga is it.”

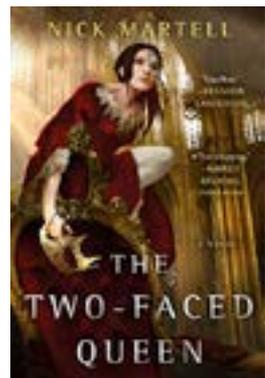

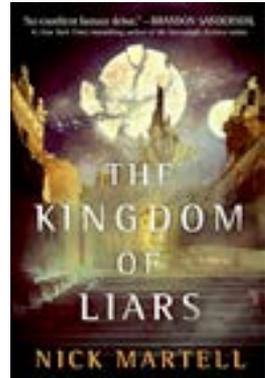

—*Kirkus*, **STARRED** review!

“As Michael’s own knowledge expands, Martell weaves in hints about the broader world, offering the possibility of future books in this inventive fantasy setting.”

—*Booklist*

“A masterpiece. A true masterpiece...High tension action, gripping drama, and so many secrets.”

—*FanFi Addict*

Legacy of the Mercenary King Series

Michael Kingman has grown up in a city where magic costs memories, the truth is dictated by those in charge, and the sounds of death from a rebel attack or the falling moon have become commonplace. Last in the legendary line of Kingman, son of a disgraced nobleman, Michael is prepared to risk every last shred of memory to prove his father was not a murderer—and to protect his family at any cost.

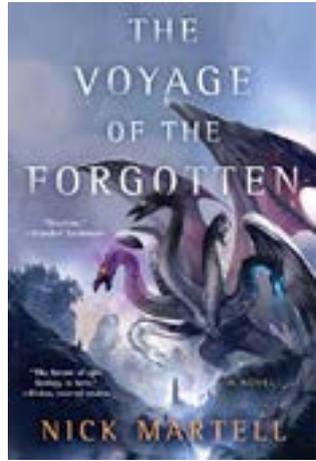

THE VOYAGE OF THE FORGOTTEN (#3)

Michael Kingman has discovered his destiny, but the distance to what he wants, namely a life with Serena, the queen of Hollow Kingdom, is as wide as the world, and just as cruel.

Meanwhile, Dark—the realm's most fearsome mercenary, Michael's sometime mentor, and son of his nemesis, Angelo—is trying to keep Michael in line, for his own purposes as he too has a hidden agenda. Michael comes to realize that he is outclassed by powers that have been working for centuries to bring about a fresh end to the world filled with those he loves. But when has merely being overpowered ever stopped Michael from getting what he wants?

To prevent what may bring about the end times Michael must gather his remaining allies and push himself to achieve the impossible because the alternative is worse than he can imagine: it's not just the beginning of the end of the world, it's being alone and forgotten.

In this epic conclusion, Michael, the infamous Kingkiller, and Serena, the Hollow Queen, will race against the odds to have the future they've worked so hard to protect...or risk bringing about the end of the world.

K. Eason is the author of the acclaimed Thorne Chronicles.

The Weep Series

Set in the universe of Rory Thorne, the second book in this sci-fi series follows unlikely allies who must discover the secrets of ancient ruins.

NIGHTWATCH OVER WINDSCAR (#2)

Iari, Char, and Gaer lare picked to a team to investigate ancient, subterranean ruins, which local legend claims are haunted, and which have mysterious connections to the dangerous arithmancy used by the wichu separatists. Iari isn't worried about ghosts.

As they delve into the ruins, they find broken mechas that unexpectedly reanimate and attack, indicating their is a new dangerous source of arithmanc that must be stopped.

“Eason packs in cool action sequences, deeply complex characters, and an excess of specialized terminology and technically detailed worldbuilding.”

—*Publishers Weekly*

Other titles in this series:

NIGHTWATCH ON THE HINTERLANDS (#1)

“Readers seeking a genre-blending tale will enjoy Eason’s no-nonsense tone as she sets the plot of a thriller within her established world of science fiction and fantasy.”

—*Booklist*

“[A] blow-away tale of high-tech magic in the far future.... This is an edge-of-your-seat exciting tale set in a very unusual universe. I hope it finds its way to awards.”

—*Philadelphia Free Press*

“The stakes become higher and higher as the story progresses, with all of the characters in mortal danger at one time or another. By the end of the story, Eason has neatly set up the next book in the series but at the same time satisfactorily resolved all the big plot points. I can hardly wait to read the follow-up! Highly recommended.”

WITH GREAT POWER

This pop culture non-fiction book explores how everyone's favorite friendly neighborhood Spider-Man conquered the box office and the silver screen in a way that no other superhero has.

Since his introduction in 1962, Spider-Man's pop culture reach has extended from comic books and clothing to video games, toys, and television shows. His strongest impact, however, is in the feature-film realm, where eight different Spider-Man movies collectively boast more than \$7.2 billion in worldwide tickets sold.

Managing editor of *CinemaBlend* and co-host of the podcast *ReelBlend* Sean O'Connell uses his exclusive access to directors, actors, producers, and screenwriters to get the inside scoop on behind-the-scenes squabbles, franchise reboots, and how Tom Holland prevented Disney from booting Spidey out of the MCU. Perfect for comic book geeks and film lovers, this book examines the current Golden Age of comic-book blockbusters, and the lessons learned on the Spider-Man franchises that still apply to comic-book movies today.

Books of the Usurper Series

A fantasy series about a country haunted by lies and the echoes of history, perfect for fans of Robert Jackson Bennett's *CITY OF STAIRS* and Kate Elliott's *CROWN OF STARS*.

EMPIRE OF EXILES (#1)

Magic, mystery, and revolution collide in this fantasy epic where an unlikely team of mages, scribes, and archivists must band together to unearth a conspiracy that might topple their empire.

Twenty-seven years ago, a Duke with a grudge led a ruthless coup against the empire of Semilla, killing thousands. He failed. The Duke was executed, a terrifyingly powerful sorcerer was imprisoned, and an unwilling princess disappeared.

Now, when Quill, an apprentice scribe, arrives in the capital city, he believes he's on a simple errand for another pompous noble: fetch ancient artifacts from the magical Imperial Archives. He's always found his apprenticeship to a lawman to be dull work. But these aren't just any artifacts—these are the instruments of revolution, the banners under which the Duke led his coup.

Just as the artifacts are unearthed, the city is shaken by a brutal murder that seems to have been caused by a weapon not seen since the days of rebellion. With Quill being the main witness to the murder, and no one in power believing his story, he must join the Archivists—a young mage, a seasoned archivist, and a disillusioned detective—to solve the truth of the attack. And what they uncover will be the key to saving the empire—or destroying it again.

“Readers will be drawn in by the memorable cast, vibrantly drawn fantasy cultures, and vivid prose. Epic fantasy fans will be eager to see where the series goes.”

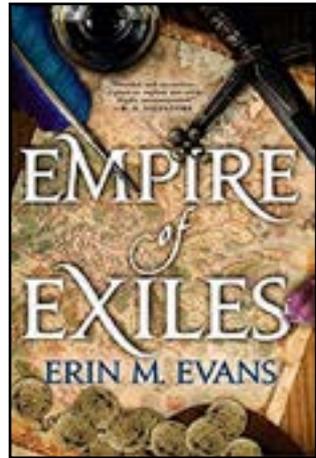

—*Publishers Weekly*

“Detailed and mysterious, a place to explore and relish. Highly recommended!”

—R.A. Salvatore, *New York Times* bestselling author of *The DemonWars Saga*

A QUIET TEACHER

A teacher trying to hide from his past becomes embroiled in a murder investigation at a cutthroat private school.

High school teacher Greg Abimbola lives a quiet, solitary life in Pittsburgh for a reason: despite the charming accent, he's not the biracial British expat everyone thinks he is. He's not even Greg Abimbola. He's actually a former officer in the Russian GRU, exiled to America after betraying his country.

“Greg” adheres strictly, if unenthusiastically, to the protocols laid out for him by the Witness Protection Program, dutifully educating privileged youth at elite, private Calderhill Academy. He stays out of school politics and avoids drawing attention to himself.

That is, until a notorious helicopter parent is found stabbed to death on campus. Andrea Velasquez, the school's assistant custodian and the closest thing Greg has to a friend, is arrested for the murder. To save his friend, Greg dusts off his old skills to find the true culprit but in doing so, he may attract the attention of former enemies.

UNDER FORTUNATE STARS

A captivating debut space opera perfect for fans of Alex White and Becky Chambers, about two ships that fall into a space-time rift and discover they are from each other's past and future. With their ships' power running out, they have only once chance to escape the rift and save the future.

Fleeing the final days of the generations-long war with the alien Felen, smuggler Jereth Keeven's freighter the Jonah breaks down in a strange rift in deep space, with little chance of rescue—until they encounter the research vessel Gallion, which claims to be from 152 years in the future.

The Gallion's chief engineer Uma Ozakka has always been fascinated with the past, especially the tale of the Fortunate Five, who ended the war with the Felen. When the Gallion rescues a run-down junk freighter, Ozakka is shocked to recognize the Five's legendary ship—and the Five's famed leader, Eldric Leesongronski, among the crew.

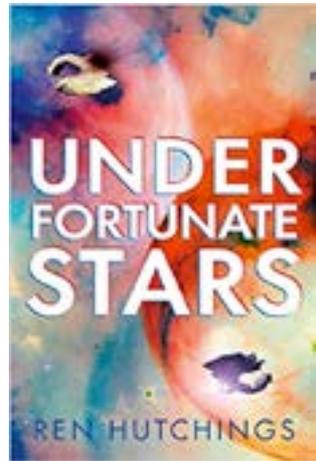

But nothing else about Leesongronski and his crewmates seems to match up with the historical record. With their ships running out of power in the rift, more than the lives of both crews may be at stake...

"An engaging space saga with time-travel twists, and a compelling look at how past and future are created not only by those who live it but those who record it."
—*Library Journal*, **STARRED review!**

"[An] intricate, clever debut...Tackling the way history sacrifices truth for hagiography, Hutchings lovingly fuses a sprawling cast of charmingly flawed characters and a plot with many moving parts into a smooth and satisfying whole. Sci-fi readers will be delighted."
—*Publishers Weekly*

"An engrossing interstellar escapade with appeal for fans of Becky Chambers, Alex White, and S.K. Dunstall."
—*Booklist*

"Under Fortunate Stars manages to tease out the familiar, best parts of the genre — and then flip them inside out.... A deeply human book."

NINE TENTHS

An excellent blend of noir and superhero urban fantasy that's Jim Butcher's *Dresden Files* meets V.E. Schwab's *VICIOUS*.

In a world full of “Augments”—humans who use technology to imbue themselves with superpowers of every sort—being an average man would seem a good way to keep out of trouble. Not so for repo man Gayle Harwood. It's his job to seize enhancements from Augments who fall behind on the payments for their high-tech advantages. And they rarely part with them easily.

Now an infamous job Gayle was a part of long ago has come back to haunt him. An incredibly powerful piece of tech that was supposed to have been turned over to the government is being used again. People are dying, and those in power are convinced Gayle knows something about it.

Unfortunately, they're right.

And unless Gayle can uncover the sinister secrets of the past and find whoever has hijacked the lost tech and stop them, no superpower in the world is going to be enough to save him...

Lost Fleet: Outlands Series

Admiral John “Black Jack” Geary may have saved the Alliance only to destroy it, in this thrilling and eagerly awaited continuation of the *New York Times* bestselling series.

RESOLUTE (#2)

Admiral Geary is assigned to escort a diplomatic and scientific mission to the far reaches of humanity’s expansion into the galaxy...and beyond. When a crippled Rift Federation ship tumbles out of jump space, Geary leaps into action. But the survivors’ story isn’t completely adding up.

As Geary investigates, he soon finds himself fending off spies and assassins while leading the fleet as it fights its way across space controlled by the mysterious and hostile aliens whom humans call enigmas.

Challenges arrive at every turn, including an unknown alien species that invites the fleet to visit one of their star systems. With little information to go on, Geary must weigh the benefits of potential new allies against the possibility of a trap. The fate of the fleet—and perhaps even the future of humanity—will depend on him making the right decision.

WAKE OF WAR

Perfect for fans of Tom Clancy and Nicholas Irving's Reaper books, **WAKE OF WAR**, is pulse-pounding military sci-fi thriller that examines the lengths those with power will go to preserve it and what it means to be on the right side of history.

Rights sold: US—Forge

For Specialist James Trent, the war's onset means unexpected orders to move from a desk job posting back East to a billet as armorer on the front lines near Salt Lake with the 117th Infantry.

For all the soldiers James can see through his gun sight, the deadliest enemy is sniper Sam Cross. Sam was just fourteen when she watched US soldiers gun down her mother and father to clear the way for the “conscription” of her older brother. She’s spent five years becoming an instrument of death being played by Joseph Graham—a charismatic rebel leader whose own deeds are far worse than any of the memories he carries with him from his time in a government detention camp.

Caught in the middle is Markus. He leads a mercenary crew enlisted to protect a mining facility situated on critical terrain in a small war that’s wanting to become much bigger. As Trent and the Revolutionist Front converge on Markus’ position, Sam holds in her hands not just her rifle but the fate of a nation.

“Topping, a U.S. Army veteran, pays attention to moral issues while taking care not to overly demonize either side, but it’s the heroic characters and meticulously rendered battle scenes that make this a standout. This is a must for fans of the genre.”

—*Publishers Weekly, STARRED review!*

“Topping, who has served two tours in Iraq, does a phenomenal job of using dialogue and scene details to impart the raw and dangerous wartime conditions that surround his characters... *Wake of War* will resonate with all readers who enjoy thrillers that reflect real-world crises.”

—*BookPage*

“I love a good military thriller and this was no exception! It was full of fast-paced fighting, backstories on the characters and a rebellion to add to the intrigue.”

—*The Open Books, 4 out of 5 stars*

The Galactic Cold War Series

A throwback to the classic sci-fi adventures of spies and off-world politics, but filled to the brim with modern sensibilities.

THE NOVA INCIDENT (#3)

When a bomb explodes in the bustling Commonwealth capital city of Salaam, responsibility is quickly claimed by an extremist independence movement. But after a former comrade, an ex-spy with his own agenda, is implicated in the attack, Simon Kovalic and his team of covert operatives are tasked with untangling the threads of a dangerous plot that could have implications on a galactic scale.

And the deeper Kovalic digs, the more he'll uncover a maze of secrets, lies, and deception that may force even the most seasoned spy to question his own loyalties.

"Moren's meaty storytelling capitalizes on Kovalic and his crew's complex relationships and improvisational teamwork and buzzes with well-earned surprises. Moren proves there's plenty more life in this series with an entry that satisfies in its own right and sets things up nicely for the next installment."

TUNE IN TOMORROW

A hilarious, thrilling and mysterious adventure into a world where alternate reality television is run for the amusement of the fae, perfect for fans of Jasper Fforde and Christopher Moore.

Starr Weatherby came to New York to become... well, a star. But after ten years and no luck, she's almost given up on her dream. And then she is offered a big role on a show no one has ever heard of. And there's a reason for that. It's a "reality" show beyond the Veil, human drama, performed for the entertainment of the Fae.

Yet the greatest hurdle to Starr's success in this beyond-the-Veil TV fantasyland is another human: Fiona Ballantine, the Grande Dame who rules the set with an iron fist and hasn't allowed a new cast member to join in 30 years. If Starr can't win Fiona over, she'll be back on the street with no money, no career—and no memory.

But as Starr shifts from astounded newcomer to rising fan favorite, she learns about the show's dark underbelly—and mysterious disappearance of her predecessor. She'll do whatever it takes to keep her dream job—though she might just bring down the show in the process.

"Dawn balances over-the-top drama and comedy with genuine intrigue to create a fun story with plenty of heart. Fans of Douglas Adams and Terry Pratchett will want to snatch this up."

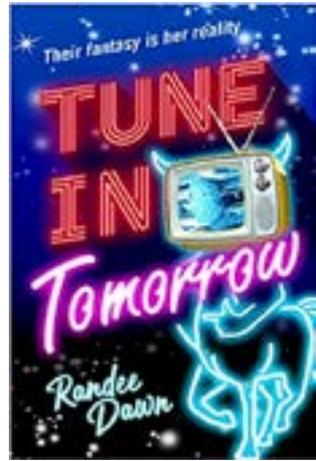

—*Publishers Weekly*

"*Tune in Tomorrow* is an excellent read if you're looking for something to make you smile; a story that holds a mirror up to a shallow surface and shows us the depths lurking on the other side; and well worth your time."

The Janitors of the Post-Apocalypse Series

In this hilarious sci-fi series, a group of unlikely heroes may just save the galaxy: a crew of space janitors.

TERMINAL PEACE (#3)

Marion “Mops” Adamopoulos and her team were trained to clean spaceships. They were absolutely not trained to fight an interplanetary war with the xenocidal Prodryans or to make first contact with the Jynx, a mysterious alien race. But against all odds, they’re the ones who could save humanity.

The war is escalating and now the survival of humanity—those few who weren’t turned to feral, shambling monsters by an alien plague—will depend on what Captain Mops and the crew of the EDFS Pufferfish discover on the ringed planet of Tuxatl.

But the Jynx on Tuxatl are fighting a war of their own, and their world’s long-buried secrets could be more dangerous than the Prodryans. To make matters worse, Mops is starting to feel a little feral herself...

“The newest members of Mop’s crew lend some fresh perspectives, and the ending—unexpected as it is—rings true. Hines serves up a satisfying and hopeful conclusion to the series.”

—*Booklist*

Other titles in this series:

TERMINAL ALLIANCE (#1)

TERMINAL UPRISING (#2)

“Hines delivers a fantastic space opera that doesn’t skimp on the action and excitement but pairs it with a hefty dose of slightly scatological humor.”

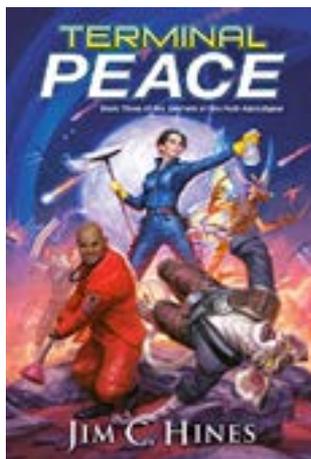

—*Library Journal*, **STARRED review!**

“This solidly entertaining story has plenty of potential for further installments.”

—*Publishers Weekly*

“TERMINAL UPRISING cements the reputation of the Janitors of the Post-Apocalypse as an exciting and rewarding series.”

INTO THE BROKEN LANDS

From sci-fi and fantasy master Tanya Huff comes a new epic fantasy saga set in a land of dangers and mysteries.

The Mage Wars, carried out by six mages to determine which one of them was the most powerful, devastated the lands and Captain Marsan was forced to lead her people out of the Broken Lands for safety. But the time has come for the Marsan clan to refuel the Black Flame which preserves their power and authority.

Marsan's heir Ryan is tasked with venturing into the Broken Lands to find the fuel and on his quest, he is joined by several allies: his scholar cousin Lyelee, who seeks to study the Lands and the remaining magic; the living weapon Nonee who will be their guide on the journey; and his uncle Garrett who has previously ventured into the Broken Lands and survived to tell the tale.

As they travel through the lands, Ryan, Lyelee, and Garret will have the bonds of family and friendship tested along with their strength and sanity.

Rights sold:
World Eng.—Rebellion

Tanya Huff is the bestselling and award-winning author of *The Silvered*, *The Confederation* series, and the *Blood* series.

“Huff’s books are always filled with interesting characters and *Into The Broken Lands* is no exception. The story is told through the eyes of the main characters both in the past and the future. If you like your adventure fantasy spiced with a good dose of introspection and plenty of intelligence then this book is for you.

—*Blog Critics*

“This is a character-driven fantasy at its best: the book is about not just the physical journey the characters go through, but their internal journeys too.”

—*Tea Leaf Critics*

“With the unique spoon on magic, mage wars, and the consequences of power plus endearing characters, this novel is intriguing and thought provoking.

—*Duncan’s Books and More*

BRAKING DAY

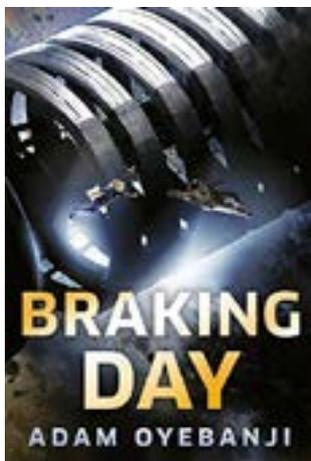

An expert blending of hard science-fiction and mystery, about an engineer-in-training who must discover the secrets at the heart of his generation ship's voyage before they reach their destination.

Japanese rights sold prior to English-language publication!

Against extreme odds, and under an authority as harsh as the vacuum of interstellar space, Ravi MacLeod's home on the generation ship *Archimedes* and its two sister ships are finally nearing their destination. The now-decrepit vehicles are about to face their final challenge: slowing down.

While working alone on a routine maintenance job, Ravi is confronted by something inconceivable: a woman who can survive in the vacuum of space without a suit.

Ravi turns to the only person he can trust, his cousin, Roberta "Boz" MacLeod, who has her hands in every shady deal the old ship has to offer. Together, they go hunting for the impossible. In looking for answers they become ensnared in a conspiracy stretching back across the generations all the way to the First Crew.

A *Publishers Weekly* Top 10 Pick for Spring 2022
 Adult SF, Fantasy, & Horror

“Oyebanji’s brilliant debut [...] builds intrigue upon intrigue through the novel’s first half and pays off the suspense with a series of jaw-dropping revelations...Innovative worldbuilding, a plot packed with surprises, and Oyebanji’s nuanced exploration of social and cultural shifts make this a must-read for space opera fans.”

—*Publishers Weekly*, **STARRED review!**

“This is a story of people who are their own worst enemies as groups fracture, danger ramps up, and options close in. It will appeal to fans of colony ship stories and coming-of-age tales.”

—*Library Journal*, **STARRED review!**

“If you’re after action, mystery, and mind-bending mega-structures, look no further than Adam Oyebanji’s *Braking Day*.”

—*The Washington Post*

The Rook and Rose Series

An unmissable fantasy collaboration by two renowned authors in which a con artist returns to the city that betrayed her, determined to have her revenge—only to find that her fate might be to save it.

THE LIAR'S KNOT (#2)

- An Amazon Editor's Pick for Science Fiction and Fantasy

“Fans of complicated puzzles and mystery will be satisfied.”

—*Publishers Weekly*

“THE MASK OF MIRRORS is an excellent fantasy novel. The characters are fun, the setting is magnificent, and the writing is smart and accessible.”

—*Los Angeles Review of Books*

“The Liar’s Knot is a notch above its predecessor in terms of storytelling and characterization [...] this series is going to be one of the strongest to come out in the next few years [...] Do yourself a favor and check it out.”

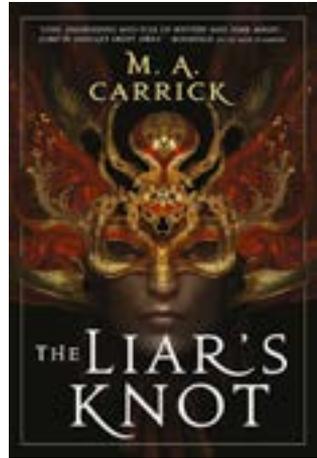

—*Quill to Live*

“The plot is twisty and turning and filled with schemes and schemers, schemes within schemes, secret identities, betrayals and seeming betrayals, true revelations and false revelations, misconstrued motivations, changes of heart, and more.”

—*Fantasy Literature*

“This book is every bit as full of intrigue, fashion, flirtation, and swashbuckling as the first book was.”

—*One Mike to Rule Them All*

M. A. Carrick is the joint pen name of Marie Brennan (Memoirs of Lady Trent series, Onyx Court series, and *Driftwood*) & Alyc Helms (The Adventures of Mr. Mystic series).

THE MASK OF MIRRORS (#1)

- An Amazon Best Science Fiction and Fantasy Book of the Month
- *Booklist's* "Top 10 SF/F Fantasy & Horror Debuts: 2021"
- Featured on "most anticipated" lists from *Buzzfeed*, *Nerd Daily*, and *Geek Tyrant*

"For those who like their revenge plots served with the intrigue of *The Goblin Emperor*, the colonial conflict of *The City of Brass*, the panache of *Swordpoint*, and the richly detailed settings of Guy Gavriel Kay."

—*Booklist*, **STARRED** review!

"Marie Brennan and Alyc Helms, writing as Carrick, join forces to launch...a tightly laced plot dripping with political intrigue. Carrick has built a strong foundation for things to come."

—*Publishers Weekly*

"THE MASK OF MIRRORS is an excellent fantasy novel. The characters are fun, the setting is magnificent, and the writing is smart and accessible."

—*Los Angeles Review of Books*

"Mask of Mirrors is the delightful product of a collaboration between fantasy authors Marie Brennan and Alyc Helms...Overall, this was an excellent start to the trilogy."

—*San Francisco Book Review*

"Lush, engrossing, and full of mystery and dark magic, THE MASK OF MIRRORS is sure to please fantasy readers looking to dial up the intrigue... The richness of Nadezra—the class systems, the detail with which things like clothing are rendered—is a joy, but the story itself also brims with intrigue, wonder and real pain. Jump in and get swept away."

—*BookPage*

"THE MASK OF MIRRORS, by M.A. Carrick (Marie Brennan and Alyc Helms) is a novel of complex plot and rich characterization that does just what you want a first novel in a series to do: arrive at a strong resolution while also leaving you eager to see what happens next... The authors have woven a rich tapestry of plot and character, and I'm hoping not to have to wait too long to see the rest of it unfold."

—*Fantasy Literature*

BOOK #3 UNDER CONTRACT TO ORBIT

From the author of the critically-acclaimed Jacob Burn Cycle and Hallowed War series, as well as the award-winning *Horns of Ruin*.

The Knight Watch Series

Pitched as *Men in Black* for fantasy lovers, **KNIGHT WATCH** is an action-packed adventure about an ordinary human who is recruited into a secret organization to protect the world from fantastical threats.

VALHELLIONS (#2)

When John Rast signed up for Knight Watch, he expected it to be all fighting dragons and rescuing maidens. You know, hero stuff.

But instead he's stuck patrolling game conventions and cosplayer competitions. Fortunately, all that changes when an honest-to-goodness necromancer shows up wielding a weapon created by Nazi occultists and accompanied by some badass evil valkyries, hell-bent on kicking off the end of the world.

John and the team will go to great lengths—even Minnesota—to find out who's responsible for all this and foil their plans.

"Akers' novel puts the fantasy in urban fantasy, with real-world-dwelling fantastical characters similar to Jim Butcher and ridiculous set pieces reminiscent of Terry Pratchett."

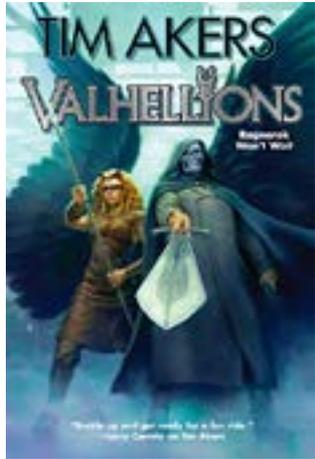

—*Booklist*, **STARRED** review!

Ocean's Eleven meets Neil Gaiman's *Neverwhere* in this series about a master thief and his misfit crew as they pull off supernatural heists.

WHAT SONG THE SIRENS SANG (#3)

Legendary thief and conman Gideon Sables and his partner in crime Annie Anybody are blackmailed into becoming the new shopkeepers of Old Harry's Place, a shop that specializes in magical objects.

Before the grand reopening can happen, a menacing stranger known as "Smith" arrives with a rare and deadly item for them to appraise: a small piece of rock which Smith claims contains the last echoes of the legendary sirens' song. Before they can find out more, Smith vanishes, leaving only the stone.

Before Gideon and Annie can work out if they've been set up, the stone is stolen from its impregnable hiding place. How? And why? Gideon only knows one thing for certain: no one steals from him and gets away with it...

"[F]eatures a crew of criminals with hearts of gold and one of the snarkiest antiheroes to ever front an urban fantasy series, turning the murder and mayhem up to 11 while telling a story where disaster is always just on the other side of the door."

—*Library Journal*

BOOK #4 UNDER CONTRACT TO SEVERN HOUSE

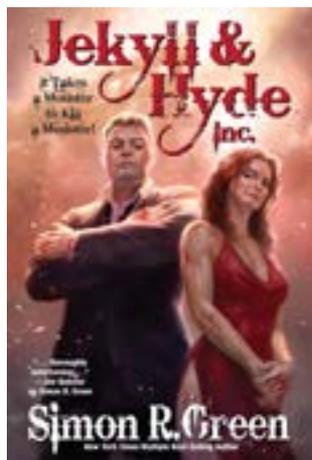

JEKYLL & HYDE INC.

An urban fantasy reimagining of the classic *The Strange Case of Dr Jekyll and Mr Hyde*, that reimagines London as the center of a supernatural criminal underworld and an ordinary police officer recruited into the secret peacekeeping force that uses a special potion to unlock their own monstrous natures.

During a raid on an organ-selling chop shop, London cop Daniel Carter was almost torn to pieces by monsters. But no one believes him. Hurt and crippled, his career over and his life in ruins, Daniel is suddenly presented with a chance at redemption. And revenge.

Monsters are real and they have disappeared into the underworld of crime. Guild-like Clans now have control over all the dark and illegal trades, unbeknownst to ordinary humans.

Only one force stands opposed to the monster Clans: the superstrong, extremely sexy, quick-witted Hydes! Now Daniel is just one sip of Dr. Jekyll's Elixir away from joining their company at Jekyll & Hyde Inc. and unlocking his powers.

Rights sold:
World Eng.—Baen,
Blackstone

Simon R. Green is the *New York Times* bestselling author of the *Nightside* series, the *Ishmael Jones* series, and the *Deathstalker* series, amongst others.

“This book is hard to put down. It is exciting from start to finish, with thrills and monsters waiting behind every dark corner.”

—*San Francisco Book Review*

“Green transforms Robert Lewis Stevenson’s classic horror novel into the launch pad for an exciting adventure. He takes readers through a romp involving multiple horror classics, updated to the twenty-first century in an amusing and entertaining read.”

—*Ricochet*

BOOK #2 FORTHCOMING SUMMER 2023

THE MIDLING AFFLICTION

An urban fantasy about a “magical version of Batman” who must use his wits and trickery to prevent an evil force from creating a chemical weapon targeting the magical community.

In a world where a limited number of people have magical abilities, Conrad Brent has a dangerous secret: he’s a Middling, a rare type of person who can perceive magic but is unable to generate any of his own. Middlings are rare, considered to be such an anomaly in the magical world that they are often killed. Conrad hides in plain sight by working for the Watch, a volunteer group of magical individuals who protect humans from dangerous, arcane threats. Like a magical version of Batman, Conrad relies on his wits and gadgets to carry out his duties for the Watch and for his side job as a private detective/monster hunter.

Rights sold:
[World English—Caezik](#)
[World English Audio—OrangeSky](#)

When Conrad learns of Willodean, a Middling being held captive by a shady multinational pharmaceuticals corporation, he sets out to rescue her. In doing so, Conrad discovers that the company is using a mix of magic, science, and Willowdean’s blood to create a magical chemical weapon. Before he can warn anyone at the Watch, he is exposed as a Middling and must go on the run. With the help of fellow Middling outcasts, Conrad learns how to harness his Middling abilities and save the world.

“[Shvartsman] delivers a laugh-out-loud, snarky adventure, throwing out pop culture references and wry observations with dizzying frequency.... His supernatural New York City is vibrant and authentic, and Conrad fits right in with wisecracking fan favorite heroes like Harry Dresden and Simon Canderous. The result is a thoroughly satisfying romp.”

—*Publishers Weekly*

“Readers looking for an entertaining read that will stick with them afterward will not be disappointed.”

—*New York Journal of Books*

“Full of humor, magic, and suspense – I didn’t want this one to end. And the finale was exciting and unpredictable.”

—*SciFiChick.com*

Ground Rules Mysteries

Master barista Sage Caplin runs a coffee cart in Portland, Oregon and becomes an amateur sleuth.

DOUBLE SHOT DEATH (#2)

Sage has scored a coveted place for her Ground Rules coffee cart at a popular Portland music festival thanks to her new-ish boyfriend, Bax, who's friendly with Maya, one of the musicians performing.

But there are tensions between Maya and her former bandmates, who are on the cusp of making it big, and with Ian, the band's manager. When Sage stumbles upon Ian's dead body in the nearby woods—his hand still clutching one of her coffee mugs—it's clear that someone's grudge boiled over into murder. Can Sage work out who's responsible before another innocent life fades out, and the curtain falls on Campathon, and maybe her own future, for good?

Rights sold:

—*Read With Aimee*

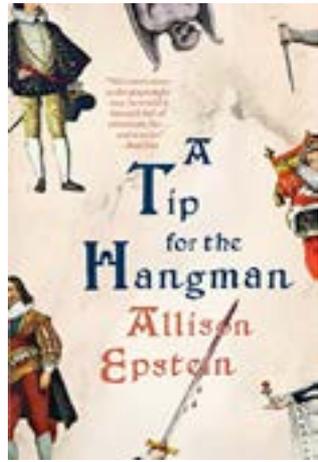

“FRESH BREWED MURDER is a fast-paced, quick read with a twisty mystery. The book has a great sense of place, conversational style, and an engaging, spirited main character.”

—*Undine Reads*

BOOKS #3-5 UNDER CONTRACT

A TIP FOR THE HANGMAN

A historical thriller that follows the fictional life of Christopher Marlowe as a spy for Queen Elizabeth. Thrillingly written, full of poetry and danger, the book brings an unforgettable protagonist to new life, and makes a centuries-old story feel utterly contemporary. Fans of daring espionage, political intrigue, and forbidden romances will enjoy this masterful debut.

Rights sold:
US—Doubleday

Featured on multiple “Highly Anticipated” lists from the *Chicago Tribune*, *Barnes & Noble’s Book Blog*, and more.

“A TIP FOR THE HANGMAN presents Marlowe as supremely capable, something of a trickster, a consummate liar, a fiendish lover — and someone capable of murder well before his own disputed demise[...] The suspense is palpable, as is the sense of doom, as Marlowe finds himself in thrall to a devil’s bargain and his own inner demons. Epstein breathes life into a celebrated figure, which makes his demise all the more abrupt and horrific.”

—*The New York Times Book Review*

“Epstein’s diverting debut gallivants through Elizabethan England. A fun escapade.”

—*Publishers Weekly*

“Thrilling and romantic...Epstein successfully evokes both the beauty and the brutality of 16th-century England.”

—*Historical Novel Book Society*

“[A] fun, irreverent debut...Epstein presents Marlowe’s story here as the playwright may have told it himself: full of adventure, fun...and murder.”

—*Book Riot*

“A TIP FOR THE HANGMAN is simultaneously moving, unsettling, hilarious, and tragic—a debut that will linger long after the last page is turned.”

—*Kate Quinn, New York Times bestselling author of The Alice Network*

“Stunning. With wit and humor, Epstein expertly weaves in authentic social, political and religious details, creating a compelling and evocative story that soars. Fans of thrilling historical fiction will be highly engaged by this fast-paced read.”

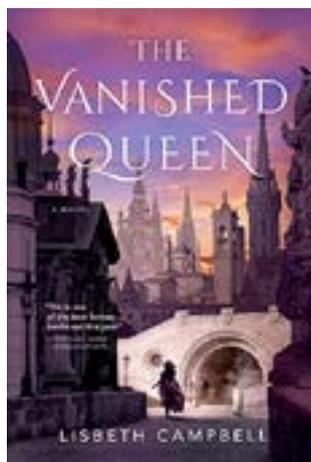

—*Susanna Calkins, author of the award-winning Lucy Campion historical mysteries*

THE VANISHED QUEEN

Set in a world where resistance is as dangerous as it is important, *The Vanished Queen* is a tale of the courage and sacrifice it requires to take on a tyrant.

When a country is held in thrall to a vicious, despotic king, it's up to one woman to take him down. Years ago, the kingdom's beloved queen disappeared, but Anza has found the missing queen's diary. Impassioned by her father's unjust execution and inspired by the queen's words, she joins the resistance group to overthrow the king, when an encounter with Prince Esvar thrusts her into a dangerous game of court politics.

Esvar is the second son to an evil king and his chance meeting with Anza gives him the opportunity to join the resistance. Together, they may have the leverage to move against the king—but if they fail, their deaths could mean oppression for generations to follow.

Rights sold:
World Eng.—Saga

Featured on *Library Journal's*
“35 Standout Summer/Fall 2020 Debut Novels”

“Campbell’s debut is filled with political intrigue, personal anguish, and family ties that bind. The prose moves smoothly through the alternating points of view of Mirantha, Anza, and Esvar, building well-rounded characters approaching the eve of revolution.”

—*Library Journal*, **STARRED** review!

“Campbell skillfully balances action and introspection as rebellion rises against an oppressive regime in this promising epic fantasy debut.”

—*Publishers Weekly*

“Campbell spends time developing each character and slowly builds in political intrigue with a touch of romance, which all lead to a very satisfying climax and conclusion. [THE VANISHED QUEEN] is one of the best epic fantasies I’ve read in a long time.”

—*Buzzfeed*

“With engaging and deep writing, the themes presented in the book being relevant and resonant, and strong characterization, THE VANISHED QUEEN is a very potent fantasy novel.”

—*Nerd of a Feather*

“If you like fantasy based in our world with demons, the occult, mystery and enjoy some spice this might be a book and series that you’d be in.

—*Mommy Thrives, 4 out of 5 stars*

“That said, when you go to sleep at 5 am because you couldn’t stop reading until it was finished, that means the book was good...It had everything I needed, action, suspense, romance, and fantasy.”

—*Fae Reviews, 4 out of 5 stars*

“Rowen is a fabulous character. She’s quirky, has mad survival skills, can fight like a pro, is sexy and self-aware.”

—*Smexy Reads*

“I think this is a pretty solid start to a series. I like the world building and enjoyed getting to know Rowan and some of her mysterious background.”

—*Past Midnight*

C.N. Crawford is the author of paranormal and fantasy romance.

Hades Castle (3-books)

A woman is courted by the angel of death to be his wife so he can become king and she vows to change his cold heart.

Night Elves (3-books)

Inspired by Norse mythology, a cursed elf must convince a woman to save his soul in order to stop an impending war.

The Dark Fae FBI (4-books)

A human FBI profile discovers a new serial killer who is a fae and she must enter the magical world to deliver justice.

Court of the Sea Fae (3-books)

A disgraced fae sea princess is recruited by a fae king to find a magic blade but little does he know that she plans to take the blade's magic for herself and restore her royal position.

Institution of the Shadow Fae (4-books)

A woman with illegal Fae magic is allowed a chance to live by the Court of the Shadow Fae—but only if she can survive the Court's deadly trials.

A Spy Among the Fallen (3-books)

In a world destroyed by angels, a fae goes undercover as a succubus to infiltrate the angelic court and bring them down.

The Vampire's Mage (4-books)

A demon-hunter reluctantly teams up with an incubus to destroy the vampire kingdom threatening their world.

Shadows and Flame (4-books)

An amnesiac young woman must reclaim her memories and magical powers in order to save her soul from a demon who claims she sold him her soul.

Publishing

“That is why I love this series and these characters so much. They’re like old friends, with their struggles, their little or big victories, their heartaches, their doubts, everything. Score a million for Christine Gael and her knack of writing reality in such a beautiful way.”

—*Caro's Reads*

Crow's Feet Coven

A woman discovers an antique typewriter that turns her fantastical stories into reality. As she struggles to contain the magical creatures she accidentally unleashed, she stumbles upon a witch's coven and must find a way to protect her town from the witches and their evil schemes.

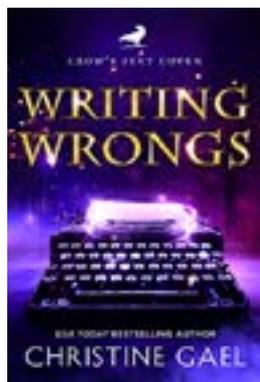

WRITING WRONGS (#1)

BREWING TROUBLE (#2)

STEALING TIME (#3)

“Overall, this was a delightful little tale that offered a bit of danger with a brush of romance—all sprinkled with new found magic in the form of a typewriter. It's unique, charming and, while not quite cozy, surely comfortable in its own skin.”

“This series is binge worthy and a wonderful read!”

—*Women's Fiction Reviews*

““The books read like an entertaining nighttime soap, just on the fringe of reality... they are fun and well-written, with smooth transitions from one sister's story to another. They make no apologies about being quick, light reads and in the end we should all be so lucky to come from a family that supports each other like this one.”

—*Read With Kristie*

“I am so glad that I took the opportunity to try this book! I laughed, I cried, I cheered on the main characters. This series is binge worthy and a wonderful read!”

As she learns to navigate the social scene, she attracts the attentions of several handsome suitors.

HIS GRACE, THE DUKE (#2)

- #68 in British Historical Fiction, #82 in Bisexual Romance, #118 in LGBTQ Fiction categories on the Amazon Kindle store

James Corbin, Viscount Finchley, has two goals. First, guarantee his good-for-nothing brother George finally gets married.

Second, James must ensure that his best friend Burke does not get married to the horrible Lady Olivia Rutledge. Burke is fully on board with this plan. Together with their friend Renley, the gentlemen concoct an elaborate ruse designed to set Burke free from his matrimonial snare.

But as the day of George's wedding draws near, secrets from their past emerge, threatening each of their futures. And then there's Rosalie Harrow...

The gentlemen never saw her coming. A young lady without family, fortune, or title, Rosalie tears through their lives, upending all their careful plans. And Rosalie has plans of her own: save Burke from the altar, save Renley from the ghosts that haunt him, and save James from himself.

For love of Rosalie, the gentlemen must prove willing to try anything, risk anything, and be anything she needs.

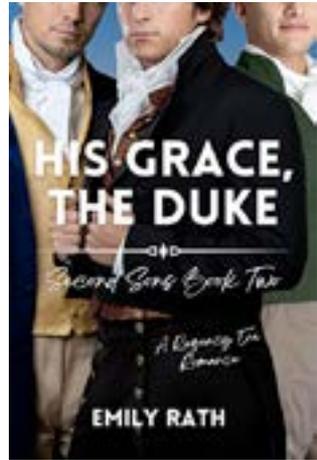

"A very satisfying conclusions! It has all the fun scheming and scandal of *Pride & Prejudice* and *Bridgerton*, but it's a reverse harem!"

The Demon Cycle Novellas

THE GREAT BAZAAR (A)

“The universe’s conceit is explained in the title story...a fully realized tale.”

—*Publishers Weekly*

“Should delight all fans of epic fantasy. Brett’s prose is nimble and accessible and he leaves the reader wanting to know more.”

—*Sacramento Book Review*

“Would recommend this in a heartbeat. Fans should check it out.”

—*Walker of Worlds*

BRAYAN’S GOLD (B)

“BRAYAN’S GOLD is a highly enjoyable episode in Brett’s greater tale that will be enjoyed by his existing fans and could serve to draw in new readers...Strong recommendation.”

—*SFFWorld*

“Full of adventure and wonderful characters and Brett’s penchant for imagery and detailed world building come shining through.”

—*The Gilded Earlobe*

MESSENGER’S LEGACY (C)

“Friendship, love, bravery and survival against the odds are key themes in all of Peter’s work and you will find them weaved artistically within this novella—a wonderful addition to The Demon Cycle canon.”

—*Fantasy Faction*

“Anyone who’s already a fan of the Demon Cycle is sure to enjoy MESSENGER’S LEGACY.”

—*Fantasy Literature*

BARREN (D)

“Readers will be drawn into the hearts and minds of [Brett’s] characters and deeply moved by the themes of acceptance and community.”

—*Publishers Weekly*

“If you’re a fan of Peter V. Brett and The Demon Cycle, then you’re definitely going to enjoy this novella set in the same world.”

—*New York Library Journal*

Advances total over \$2.6 million and counting!

The Nightfall Saga

THE DESERT PRINCE (#1)

• #16 *Der Spiegel* bestseller

Bestselling author Peter V. Brett begins a brand new epic fantasy adventure set in the beloved world of the *Demon Cycle* series, following a new generation of heroes.

“Epic in scale and emotionally intimate, it delivers immaculate world-building, complex politics — both sexual and social, and propulsive, edge-of-the-seat plotting. Settle down for a feast of turns, twists, magic and an astonishing, non-gratuitous bit of brain-eating.”

—*Daily Mail*

“THE DESERT PRINCE is a statement by its author that his first series’ popularity was no fluke, and cements him as a top notch author... This new book is pure joy for fans of *The Demon Cycle*, but also offers such a solid story and thrilling entertainment on it’s own that even new readers will have no problem in finding themselves enthralled by this world... [A] masterpiece.”

—*The Book Pyramid*

“Focusing on Jardir and Arlen’s children, Brett launches a new saga that allows readers relatively easy entrance into the series.”

—*SFF World*

“Peter Brett takes the reader with him and his characters on an electric and unrelenting charge through the demon-haunted depths of the *Warded* universe, full of love and death.”

—*Naomi Novik*, *New York Times* bestselling author of *Uprooted*

“An intricately crafted tale of intrigue and courage where one’s station and lineage determines everything, good and bad. An exciting read. Peter Brett has outdone himself with this first book in a new series.”

—*Terry Brooks*, *New York Times* bestselling author of the *Shanara* series

THE FINAL GIRL SUPPORT GROUP

- #4 *Los Angeles Times* bestseller
- #11 *New York Times* bestseller
- Goodreads Choice Award winner for Best Horror Novel
- Bram Stoker Award finalist
- Featured on “best of” lists from *NPR*, *Washington Post*, *Library Journal*, and more

In this homage to slasher films, a mysterious killer starts killing the members of a “final girl” support group. It’s up to Lynette, one of the more paranoid support group members, to use her survival skills to stop the killer and save her friends.

THE FINAL GIRL SUPPORT GROUP is a book about trauma and finding the strength to move on, perfect for fans of horror and admirers of kickass women.

“A wildly entertaining romp through the conventions of horror’s slasher film subgenre... The result is a wonderfully suspenseful and darkly comic novel that cleverly subverts popular culture. Horror fans will be wowed.”

—*Publishers Weekly*, **STARRED** review!

“Hendrix presents yet another thought-provoking, fun, and chilling winner.”

—*Library Journal* **STARRED** review!

“[An] entertaining, fast-paced, and darkly humorous novel that reads like a sequel to a spooky ‘80s horror flick.”

—*Booklist*

A TV series adaptation produced by Oscar-winner Charlize Theron, *It* duo Barbara and Andy Muschietti, and Aperture Entertainment is in development at HBO!

“This thriller sets a quiet tone before building slowly and evenly, showing how a meek teenager trapped by circumstance grows into a strong woman who takes control of her future.”

—*Library Journal*, **STARRED** review!

“This insightful look at criminal life from the viewpoint of a sardonic yet lonely soul seems destined for more plaudits.”

—*Booklist*, **STARRED** review!

Also from Silvia Moreno-Garcia:

RETURN OF THE SORCERESS

“Bestseller Moreno-Garcia (*Mexican Gothic*) packs an impressive plot into limited space in this dark sword-and-sorcery secondary world fantasy... This well-plotted novella zips along with the darkly fascinating Yalxi at the helm.”

—*Publishers Weekly*

SIGNAL TO NOISE

“The book is this rich, elaborate symphony of awesome that defies simple definitions.”

—*Kirkus*

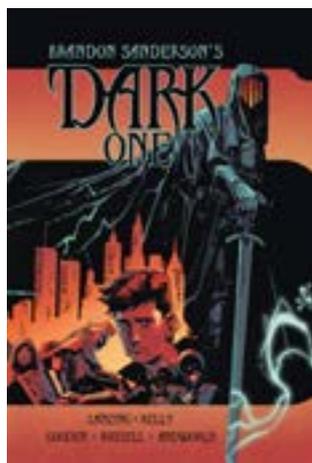

Winner—2016 Copper Cylinder Award

Dark One Series

From Hugo Award-winning and #1 *New York Times* bestselling author Brandon Sanderson comes a graphic novel series pitched as “Harry Potter from Voldemort’s point of view,” about a young man who discovers his connection to a fantasy world and the prophecy that claims he will destroy it.

DARK ONE (VOL. 1)

Paul is a young man who sees visions of strange and fantastical worlds, which he is told are just hallucinations.

But this dark and deadly fantasy world that keeps coming to him is actually a real vision of another world—one where he has been prophesied to become a tyrant and destroy Mirandus, a land of interesting creatures, sporadic electrical currents and a darkening landscape.

As Paul is drawn into the world of Mirandus and struggles to come to terms with his destiny, *Dark One* examines the dual roles we often take on in life—the ability to be a savior as well as a destroyer.

DARK ONE is a cross-media project which includes graphic novels from Vault Comics and audio originals from Mainframe.

Advances for print, audio, and film rights total over \$1.13 million. Sanderson will be personally involved in every aspect of the Dark One universe

Dark One Series

DARK ONE (VOL. 1)

“With a clear flow between panels, the implication of time passing in a montage of wide, epic scenes of Mirandus; brilliant and emotive color schemes; and a cleanly minimal drawing style provide a strong visual aspect to the story.”

—*Kirkus*

“DARK ONE is the realization of a supremely ambitious Vault Comics ideal. It’s a literary comic that blends high concept storytelling interests across genres without sacrificing any of the craft, structure, or character development needed to make narratives compelling and immersive.”

—*Comics Bookcase*

“A complex, fascinating fantasy of dark intention.”

—*Doom Rocket*

“A brilliant graphic novel that has some amazing themes delving into the duality of man and light and dark.”

—*But Why Tho*

“A story that both perfectly captures and totally swerves common cliches and storytelling staples.”

—*The Brazen Bull*

“Everything about this book is excellent, from the writing, art, lettering – every bit drips with that flare Vault comics all have.”

—*Wandering Nerdgirl*

CHILDREN OF THE NAMELESS

Brandon Sanderson's fantasy novella, set in the world of the internationally bestselling *Magic: the Gathering* card game. Fans of the game will enjoy a glimpse into the wider universe, while newcomers can enjoy Sanderson's skillfully-spun tale with no prior knowledge of the world necessary.

A collaboration between bestselling author Brandon Sanderson and Wizards of the Coast!

Since the day she was born, Tacenda has been both blessed and cursed. When her protective spell fails in the night and her Kessig village is attacked, she seeks revenge against those whom she believes responsible—the demon-consorting Lord of the Manor...

But there may be more to the attack on her village than Tacenda first thought, and there may be more to the Lord—the mysterious Davriel Cane—than meets the eye. Secrets abound and it's up to Tacenda to investigate them. With danger lurking around every corner, Tacenda is left with few options. On her quest to uncover the truth, Tacenda may have to put her trust in Davriel, and his retinue of demons, in order to survive.

“The plot is full of twists and turns, the pace reckless, the action as satisfying as anything else Sanderson's written...If you've ever enjoyed a Sanderson book, you're going to love CHILDREN OF THE NAMELESS.”

—*Tor.com*

“CHILDREN OF THE NAMELESS manages to strike a fantastic balance between the dramatic and the humorous...it gets a glowing recommendation.”

—*Multiverse in Review*

“The characters shined brightly and that Sanderson charm spilled over. The story is full of mystery, action, and great interactions...everything you'd expect from a Sanderson book.”

Stephen Leeds Novellas

Stephen is a genius who can learn any new skill in a few hours. To contain all of this, his mind creates hallucinatory people to hold and manifest the information.

LEGION: THE MANY LIVES OF STEPHEN LEEDS

“Readers will get drawn into the fascinating world of Stephen and his friends—real and imagined—as they work together to solve the seemingly unsolvable.”

—*Publishers Weekly*

“Sanderson’s contemporary fantasy is populated with superb characterizations (as evidenced by the multiple depictions of Legion’s aspects) and is surprisingly thought-provoking.”

—*Kirkus*

“LEGION: THE MANY LIVES OF STEPHEN LEEDS is the perfect opportunity to read Brandon Sanderson’s beloved series featuring everyone’s favorite schizophrenic genius detective.”

—*Bibliosanctum*

“The real pleasure is...reading about Steve and his hallucinatory alter egos. Sanderson handles it all with a deft, humorous hand.”

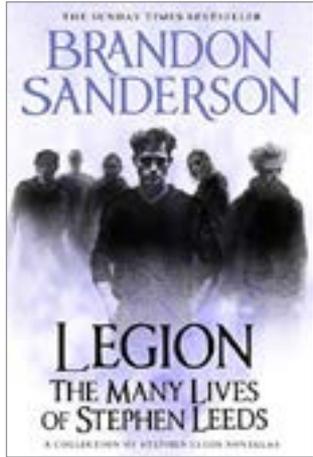

—*Fantasy Literature*

“LEGION is a wonderfully clever, compelling story with a brilliant ensemble of characters that just won’t leave you alone.”

—Suzanne Palmer, Hugo Award-winning author
of *The Secret Life of Bots*

“Short, punchy and thoughtful adventures from the life and mind of one of [Sanderson’s] most brilliant (and maybe craziest) characters...Quirky characters, thoughtful ideas and action-packed stories make it the perfect binge read for anyone who wants a dash of excitement with a tinge of insanity and introspection in their life.”

—*Deseret News Entertainment*

This title is an omnibus of the three Legion novellas, which have sold independently in 11 territories, including China, Germany, France, Poland, and Spain.

The Skyward Series

From the #1 *New York Times* bestselling author of the Reckoners series, the Mistborn trilogy, and the Stormlight Archive comes the third book in an epic series about a girl who will travel beyond the stars to save the world she loves from destruction.

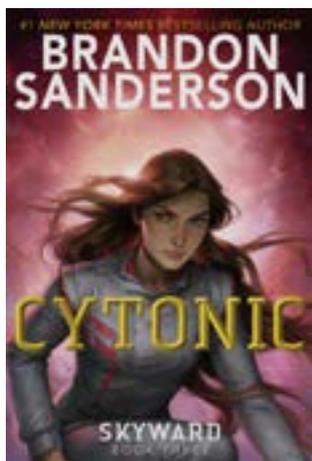

CYTONIC (#3)

Spensa's life as a Defiant Defense Force pilot has been far from ordinary. She proved herself one of the best starfighters in the human enclave of Detritus and she saved her people from extermination at the hands of the Krell—the alien species that has held them captive for decades. She traveled light-years from home to infiltrate the Superiority, where she learned of the galaxy beyond her small planet.

Now, the Superiority—the governing galactic alliance bent on dominating all human life—has started a galaxy-wide war. And Spensa's seen the weapons they plan to use to end it: the Delvers. Ancient, mysterious alien forces that can wipe out entire planetary systems in an instant. Spensa knows that no matter how many pilots the DDF has, there is no defeating this predator.

Except that Spensa is Cytonic. She faced down a Delver and saw something eerily familiar about it. And maybe, if she's able to figure out what she is, she could be more than just another pilot in this unfolding war. She could save the galaxy.

The only way she can discover what she really is, though, is to leave behind all she knows and enter the Nowhere. A place from which few ever return.

The Skyward Series

SKYWARD (#1)

#3 *New York Times* bestseller! Remained in the top 5 for five consecutive weeks.

“With this action-packed trilogy opener, Sanderson offers up a resourceful, fearless heroine and a memorable cast.”

—*Publishers Weekly*, **STARRED** review!

“Sanderson plainly had a ball with this nonstop, highflying opener, and readers will too.”

—*Kirkus*, **STARRED** review!

#19 on *USA Today's* bestseller list.

One of *Kirkus's* best YA fiction titles of 2018.

One of LITA's notable YA science fiction titles of 2019.

Finalist—Sakura Medal Award

STARSIGHT (#2)

“Spensa’s habitual over-the-top recklessness adds a rousing spark, and the author folds in plenty of banter as well as a colorful supporting cast.”

—*Kirkus*

“STARSIGHT offers...more worldbuilding, some favorite returning characters from *Skyward*, some amazing new characters and settings, and a ramped-up storyline.”

—*Tor.com*

“With STARSIGHT, Spensa’s story has exploded into an exhilarating, high-stakes space adventure filled with the strange and the wonderful.”

—*Novel Notions*

Debuted at #1 on the Amazon Chart, #1 on Audible, #1 on the *New York Times* bestseller list, and #4 on the *Wall Street Journal* and *USA Today* charts!

The Skyward Flight Novellas

From #1 bestselling author Brandon Sanderson and Janci Patterson comes three Skyward companion novellas, set between STARSIGHT and CYTONIC, each told from the perspective of a different member of the Skyward Flight team back on Detritus.

The novellas follow FM, Alanik, and Jorgen along their missions to aid Spensa and save Detritus, and perhaps even the galaxy.

Audio advances for Mainframe projects total over \$1.6 million and counting!

DARK ONE: FORGOTTEN (A)

A multipart audio portal fantasy series set in the Dark One universe that is a fictionalized take on the true crime audio genre, similar to Audible's West Cork and Evil Has a Name, about a journalist attempting to track down a serial killer whom no one can remember. Only audio rights available.

DARK ONE: PROPHETIC HISTORIES (B)

The second installment of the multipart audio series, developed within Sanderson's Dark One universe. Only audio rights available.

THE ORIGINAL (C)

A science-fiction thriller co-written by Brandon Sanderson and Mary Robinette-Kowal about a cloned woman trying to solve a mystery before time runs out. Only audio rights available. (see page 86)

STEPHEN LEEDS: DEATH AND FAXES (D)

An original story set in Sanderson's Stephen Leeds universe, following Stephen Leeds as he tries to track down a dangerous hacker. Only audio rights available.

LUX (E)

The first in the Texas Reckoners series, set in Sanderson's Reckoners universe, following a new cast of Reckoners fighting against a powerful Epic. Only audio rights available.

and counting!

THE ORIGINAL

Hugo Award-winning authors Brandon Sanderson and Mary Robinette Kowal team up in this exclusive audio-first production of **THE ORIGINAL**, a sci-fi thriller set in a world where one woman fights to know her true identity and survive the forces that threaten her very existence.

Only audio rights
available

Winner—2020 Fantasy Award for Best Audiobook

In the near future, humans choose life—for a price. Injectable nanite technology is the lifeblood that flows through every individual wishing to experience the world through the lens of their own theme. While death from mortal wounds is still possible, life is made easier in a socially liberated society where renewal stations are provided to every law-abiding citizen for weekly check-ins. These stations issue life-sustaining repairs in exchange for personal privacy. But what becomes of those who dare to resist immortality?

When Holly Winseed wakes up in a hospital room, her first thoughts are of her husband Jonathan. But he isn't there. And her near-term memory seems... disjointed. A team of government agents wastes no time with pleasantries telling Holly that she is a Provisional Replica, created in the aftermath of her Original's conviction for murdering their husband Jonathan. Now she has one week to hunt down and kill her Original. If she succeeds, she'll assume her Original's life. If she fails, her nanites deplete and she will die. Holly's progress is monitored by an assigned contact that feeds her information as she confronts the blank, robotic world around her, discovering that others view life through the theme of their own choosing.

With her newly implanted combat and deduction skills, Holly fends off both attacks by terrorists and doubts about her own trustworthiness as clues lead her to her Original — and to the truth about Jonathan. In the end, one body remains and one walks away. Questions persist, but one thing is certain: Life will never be the same.

HOW TO SELL A HAUNTED HOUSE

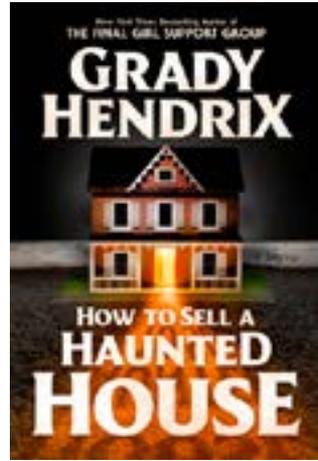

New York Times bestselling author Grady Hendrix takes on the haunted house in a hilarious and terrifying new novel that explores the way your past—and your family—can haunt you like nothing else...

When Louise finds out her parents have died, she dreads going home. She doesn't want to leave her daughter with her ex and fly to Charleston. She doesn't want to deal with her family home, stuffed to the rafters with the remnants of her father's academic career and her mother's lifelong obsession with puppets and dolls. She doesn't want to learn how to live without the two people who knew and loved her best in the world.

Mostly, she doesn't want to deal with her brother, Mark, who never left their hometown, gets fired from one job after another, and resents her success. But she'll need his help to get the house ready for sale because it'll take more than some new paint on the walls and clearing out a lifetime of memories to get this place on the market.

Some houses don't want to be sold, and their home has other plans for both of them...

Beloved horror author Grady Hendrix's latest novel turns the haunted house novel into something scarily wonderful.

COURTING DRAGONS

Introducing Will Somers, the king's jester but nobody's fool in this exuberant, intriguing and thoroughly entertaining first in a new series set in Tudor England.

1529, London. Jester Will Somers enjoys an enviable position at the court of Henry VIII. As the king's entertainer, chief gossip-monger, spy and loyal adviser, he knows all of the king's secrets—and almost everyone else's within the walls of Greenwich Palace. But Will struggles as the king himself in matters of the heart, hoping to gain permission from a father reluctant to see promise in a fool's position to marry his beloved, Marion Greene.

After Will discovers the body of Spanish count Don Gonzalo while walking his trusted sidekick Nosewise in the courtyard gardens, a blackmail note arrives soon after demanding information about the king. Knowing that he was among the last to see the count, Will worries that one of his own closely guarded secrets is about to be exposed.

With Marion's domineering father, an angry Spanish court, and King Henry VIII's never-ending dramas, there are no lack of suspects, no lack of motives, and no lack of intended targets when murder sets upon the court. For all that Will has a privileged position in the court, he'll be hard-pressed to solve the case—a possible attack on himself and his hopes for marriage—without falling on the wrong side of many a royal sword.

THESE BURNING STARS

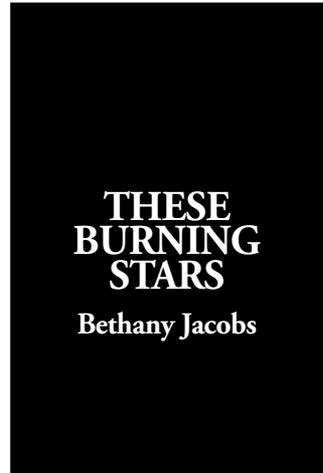

A sweeping portrait of an empire on the verge of collapse, a braided narrative with secrets and revelations around every corner, and a spectacular inversion of expectations.

Jun Ironway—hacker, con artist, and occasional thief—has gotten her hands on a piece of contraband that could set her up for life: a video that implicates the powerful Nightfoot family in a planet-wide genocide seventy-five years ago. The Nightfoots control the precious sevite that fuels interplanetary travel through three star systems. And someone is sure to pay handsomely for anything that could break their hold.

Of course, anything valuable is also dangerous. The Kindom, the ruling power of the star systems, is inextricably tied up in the Nightfoots' monopoly—and they can't afford to let Jun expose the truth. They task two of their most brutal clerics with hunting her down: preternaturally stoic Chono, and brilliant hothead Esek, who also happens to be the heir to the Nightfoot empire.

But Chono and Esek are haunted in turn by a figure from their shared past, known only as Six. What Six truly wants is anyone's guess. And the closer they get to finding Jun, the surer Chono is that Six is manipulating them all—and that they are heading for a bloody confrontation that no one will survive unscathed.

THESE BURNING STARS is a thrilling new space opera perfect for fans of Arkady Martine's *A Memory Called Empire* and Yoon Ha Lee's *Ninefox Gambit*.

BOOKS 2-3 UNDER CONTRACT TO ORBIT

TINY THREADS

Black Swan meets *The Devil Wears Prada* in this creepy horror about fashion, about sexuality as a commodity, and the power wielded by men trying to harness it.

After the death of her grandmother, Samara Martín leaves her overbearing Cuban family behind in New Jersey for a job at a once-edgy fashion brand in Vernon, California. Touted as up-and-coming, Vernon turns out to be eerily desolate, made worse by the foul-smelling slaughterhouse near the office.

Trying to navigate office politics by appeasing her volatile boss, Samara throws all her focus into an upcoming runway show. But there are other forces at play; she finds names stitched into garments in the archive that disappear the next day, she starts having visions of a young girl that grow increasingly disturbing—and there's Brandon Hernandez

Murphy, a charming tech investor keen on reinventing Vernon who Samara finds herself drawn to.

Samara starts to hide her increasing instability by drinking more, casting aside her family's warnings, but when the runway show is a success, the guardrails come off entirely. The afterparty is extreme in all senses: beauty, drugs, and sex—and Samara succumbs to every vice. But her visions aren't through with her yet. They lead her to a disturbing discovery and a violent confrontation with consequences for both Samara's world, and the world of the supernatural.

Lilliam Rivera draws upon her experiences as a founding editor of *Latina* magazine to examine the dark side of glamour and deliver a haunting story.

HEROES, VILLAINS, AND HEALING: MARVEL EDITION

A guide to help male survivors of child sexual abuse understand and heal from the trauma of their past using comic book superheroes and villains as framing devices that allow boys and men to process their trauma in a manner that feels safe using characters they love—and love to hate.

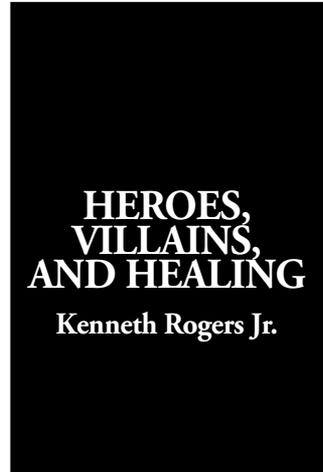

1 in 6 males will be sexually abused in their lifetime. This fact is often ignored or not believed.

Heroes, Villains, and Healing is a guide to help male survivors of childhood sexual abuse understand and heal from the trauma of their past using Marvel Comics superheroes and villains.

This helpful book is divided into three parts. The first is “Heroes,” which explains how some coping strategies of male survivors are similar to the archetypes of such beloved superheroes. The second part, “Villains,” examines how other coping strategies may not be as positive, having traits and attitudes of villains.

“Healing” is the final part, which explains how striving to live the life of a hero or a villain can be sustainable. To truly heal from childhood sexual abuse means working through the stages of healing and receiving help from a therapist or counselor. This final section includes writing exercises and examples that help male survivors know they are not alone, as they come to terms with their abuse and heal from past trauma.

As a survivor of childhood sexual abuse, Kenneth Rogers Jr. writes from a place of compassion and understanding to help male survivors open up about their abuse, seek help, and stop suppressing their trauma through drug and alcohol abuse, or suicide.

DEDICATE

A fantasy novella set in a war zone, when an avalanche strikes and causes a commander to rethink what they're really fighting for.

Asher has spent her adolescence behind the walls of a Cesteli Holiest House, preparing to give up her body for the mechanical habit of a Sor-Commander. Her soul will be bound to an unkillable construct, and she'll be placed in command of a unit of half-mechanical soldiers, Dedicated to the service of the country and the gods. The Dedicates—with their identical exoskeletons, extra arms, and telepathic subordination to the Sor-Commanders—are the only thing that's kept the much larger Levastani army of conquest at bay for decades, and their lives are a sacrifice for Cesteli's freedom.

Soon, Asher will have to decide if she too is ready to take a Sor-Commander's habit and become a divine vessel, but for now, she's on a training journey, second in command to Sor-Commander Elena in escorting a unit to the front lines. When they're still several days from the front, their party is attacked, and Sor Elena sustains disabling damage, leaving Asher alone to lead the unit across a geologically unstable mountain.

It should be fine, even for a brand-new leader: Asher has the terrain memorized, and the Dedicate sergeant is good at their job. But one of the Dedicates is not what they seem: a spy for the enemy, with their own reasons to hate their mechanical body and the people who put them in it, planning to sabotage the unit and bring the secrets of Dedicate technology to Levasta.

When an avalanche hits, plans and boundaries alike are wiped out; to get off the mountain, all of them will need to figure out how much they're really willing to sacrifice—and what for.

LET THE DEAD BURY THE DEAD

An urgent, immersive alternate history set in an imperial Russia on the brink of disaster, as Saint Petersburg struggles in the wake of Napoleon's failed invasion.

Saint Petersburg, 1812. Russian forces have defeated Napoleon at great cost, and the Tsar's empire is once again at peace. Sasha, a captain in the imperial army, returns home to Grand Duke Felix, the disgraced second son of the Tsar and his irrepressibly charming lover, but their reunion does not remain peaceful long.

Everything changes with the arrival of Sofia, a mysteriously persuasive figure whose disruptive presence Sasha interprets as something more than human. Felix, insisting that Sasha's old-fashioned superstitions are misplaced, takes Sofia into his confidence—a connection that quickly becomes both personal and political. On her incendiary advice, Felix confronts his father about the brutal conditions of the common people in the aftermath of the war, to disastrous results, separating him from Sasha and setting him on a collision course with a vocal group of dissidents: the Koalitsiya.

Meanwhile, the Koalitsiya plan to gridlock Saint Petersburg with a city-wide strike in hopes of awakening the upper classes to the grim realities of the laboring people's circumstances. Marya, a resourceful sometimes-thief and trusted lieutenant of the Koalitsiya, also falls under Sofia's spell, and allied with Felix and her fellow revolutionaries, finds herself in the middle of a battle she could never have predicted. As Sofia's influence grows and rising tensions threaten the Tsar's peace, Sasha, Felix, and Marya are forced to choose between the ideals they hold close and the people they love.

FORTHCOMING FALL 2023

MAY THE FORCE BEA ARTHUR

A fun nonfiction exploration that tells the story of how the infamous *Star Wars Holiday Special* came to be and how it became a beloved piece of the *Star Wars* fandom.

The *Star Wars Holiday Special* isn't unique in the annals of television. 1978 also saw unusual TV specials like "KISS Meets the Phantom of the Park" and former Beatle Ringo Starr's "Ringo" featuring Carrie Fisher, Angie Dickinson, and Vincent Price. But none of these specials offer quite the same trainwreck thrill as the road to George Lucas' infamous *Star Wars Holiday Special*.

It all started with an old grudge. Frank Wells, who later became the head of Disney, was the head of the Not a Fan club for Lucas' THX-1138, and had it re-edited against Lucas' wishes. When Wells told Lucas directly after the May 1977 release of *Star Wars* that the movie would be out of theatres by Labor Day, Lucas was determined to do anything he could to keep *Star Wars* in the public eye, and started arranging appearances by cast members and characters to appear on talk shows and television specials. The next logical step was to do his own television special with *Star Wars* characters.

Except it became a total disaster.

MAY THE FORCE BEA ARTHUR: THE MAKING OF THE STAR WARS HOLIDAY SPECIAL is the story of everything that went into the making of this iconic piece of pop culture, from the feud between Lucas and Wells to the special's enduring popularity and how it became part of the *Star Wars* canon. It is perfect for any *Star Wars* fans or any pop-culture junkie who loves to read about unusual Hollywood histories.

FOR THE LOVE OF MAGIC

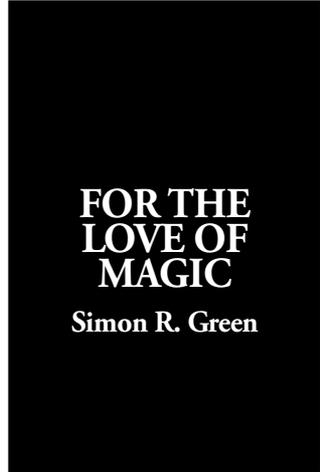

A new standalone fantasy by Simon R. Green, about a gifted human who is persuaded to join the fight to bring magic and enchantment back to the world.

Jack Damion is an Outsider, a human with the gift of Sight that allows him to See all of the hidden mysteries of the world and see warnings of future threats to come. He works with the London police to investigate paranormal threats despite the skeptics who are in disbelief about his abilities.

In his latest case dealing with an enchanted painting that has been abducting people, he meets Amanda, an art expert who reveals herself to be a mysterious inhuman creature.

Amanda tells Jack that magic has been written out of the Story of humanity and she needs his help to bring it back. Jack is reluctant; over his career, he has seen the negative impacts that magical objects can do.

But after Amanda explains that his role as the Outsider was created to catch the aftereffects of magic being erased, he becomes intrigued and joins her in a journey across myths and legends to discover the secret of why magic was lost and how it can be brought back.

THE WAKING OF ANGANTYR

A new standalone fantasy by the Hugo Award-nominated author of the Lady Trent series, inspired by the Norse poem “The Waking of Angantyr” about a shieldmaiden who sets out to confront the dead haunting her.

The bondsmaid Hervor is used to dead men whispering in her sleep. They’ve been doing it for as long as she can remember; it’s the living she has to watch out for. And when a new arrival at her holding triggers her into a berserker fury, she’s forced to flee the contract that enslaves her and into the arms of an uncertain future.

Unchained from the living, Hervor goes in search of a way to silence the dead, but it will take much more than grit and determination to make that happen. She’ll need the help of a ruthless viking, an ailing jarl, a mad witch, and more—for the treachery that killed her ghosts isn’t nearly as dead as they are, and the path to peace must first traverse a river of blood.

FORTHCOMING 2024

REAL BAD DUDES

A critical and biographical appraisal of the modern Hollywood action hero, from Charles Bronsons and Bruce Lees in the 1960s to all the way through to the Tom Cruises and Tom Hollands of today and tomorrow.

The double-barreled success of Tom Holland, first for carrying Spider-Man: No Way Home and then— while channeling Tom Cruise in Cocktail— helping Uncharted to unexpectedly strong box office figures, demonstrates a truism of the film business. People want their film stars and action heroes. Every generation needs its own. And that's the topic of REAL BAD DUDES: THE STARS WHO SHAPED ACTION MOVIES, the next project for popular film and culture writer Tres Dean.

REAL BAD DUDES is about action heroes in the broadest sense, so long as they're about action. It'll cover the kung fu stars. It'll look at Angelina Jolie, whose career provides a prism via which to explore the difference between movie star and action star, and Charlize Theron's ride down Fury Road. It'll travel from the Mexploitation of Robert Rodriguez thru the Tarantino revivals of Pam Grier and Kurt Russell to the superhero, from Wesley Snipes before Marvel had become MCU, to Chris Evans as the embodiment of an MCU superstar. The sample chapter covers the risky business of Tom Cruise from early in his career to the impossible mission of reincarnation after mid-career mishaps.
